Education

Inspere

PHD IN ECONOMICS

- Advisor: Dr. Cristine Campos de Xavier Pinto
- Co-Advisor: Dr. Luis Fantozzi Alvarez
- Project: Adversarial Estimation in Discontinuous Structural Models

Sao Paulo, SP

2024 - Current

University of Sao Paulo (USP)

MSC IN ECONOMICS

- Advisor: Dr. Cristine Campos de Xavier Pinto
- Project: Estimation in Nonlinear Difference-in-Differences models

Sao Paulo, SP

2022 - 2024

Federal University of Rio Grande do Sul (UFRGS)

BSC IN STATISTICS

- Advisor: Dr. Eduardo de Oliveira Horta
- Project: Markov Switching models and Support Vector Machine for- Functional Time Series Classification

Porto Alegre, RS

2014 - 2018

Professional Experience

- 2025-2026 **Graduate RA**, Dept. of Economics, Inspere
- 2025-2026 **Microeconometrics Undergraduate TA**, Dept. of Economics, Inspere
- 2024-2025 **Graduate RA**, Dept. of International Relations, FGV
- 2024-2024 **Econometrics Undergraduate TA**, Dept. of International Relations, FGV
- 2024-2024 **Statistics and Probability Undergraduate TA**, Dept. of International Relations, FGV
- 2023-2023 **Econometrics I and II Graduate TA**, Dept. of Economics, USP
- 2022-2023 **Graduate RA**, Public Sector Economics Laboratory, USP
- 2017-2019 **Risk Analyst**, DLL Financial Services
- 2017-2017 **Inference II Undergraduate TA**, Dept. of Statistics, UFRGS
- 2015-2017 **Undergraduate RA**, Dept. of Statistics, UFRGS

Awards, Fellowships, & Grants

- 2026 - 2028 **Monthly Scholarship Grant**, FAPESP
- 2024 - 2026 **Monthly Scholarship Grant**, CNPQ
- 2022 - 2023 **Monthly Scholarship Grant**, CAPES
- 2017 **Best Research in Applied Mathematics and Statistics (University Science Fair)**, Federal University of Rio Grande do Sul

Publications

PUBLISHED

Wendt, V; Vieira, C. 2022. On the lack of new updates on the Federal Wealth Tax Bracket for Individuals. The Institute of Economics Research (FIPE) Journal: 42-43.

Presentations

* *presenting author;*

2026. *Testing Exogeneity and Model Validation via Maximum Mean Discrepancy*. Seminar: Bristol Econometrics Study Group (Poster Session), Bristol - England
2026. *Nonparametric Test for the Equality of Conditional Distributions in Selection Models*. Seminar: 5th Rio-SP Econometrics Workshop (Poster Session), Rio de Janeiro - Brazil
2017. *Functional Time Series method applied in R*. Seminar: VIII Statistics Academic Week, Porto Alegre - Brazil
2017. *Functional Time Series method applied in R*. Seminar: XXIX Science Fair, Porto Alegre - Brazil
2016. *The study of phenotypic variables correlation using the Latent Probability Model*. Seminar: XXII National Symposium of Probability and Statistics (Poster Session) , Porto Alegre - Brazil
2016. *The study of phenotypic variables correlation using the Latent Probability Model*. Seminar: VII Statistics Academic Week, Porto Alegre - Brazil
2016. *The study of phenotypic variables correlation using the Latent Probability Model*. Seminar: XXIII Science Fair, Porto Alegre - Brazil
